

## Update on the duration of the suspension of courses in situ

---

Dear parents,

As promised, we keep you updated on the duration of the suspension of courses in situ.

Following the decision taken by the Luxembourg Government Council on 1<sup>st</sup> April, 2020, all schools in Luxembourg will remain closed until 3<sup>rd</sup> May, 2020 included.

According to our communication from 9<sup>th</sup> March, 2020: “If the authorities of the hosting Member State foresee stricter rules for their national educational institutions, these rules shall be applied by the European Schools”.

Therefore, all courses in situ will continue to be suspended for a fourth and fifth week (20<sup>th</sup> April until 1<sup>st</sup> May inclusive). Teaching and learning at a distance will continue after the Easter holidays.

We will continue to keep you informed about any new evolution. A more detailed communication will follow in the next days. We would like to thank you for your close cooperation and your support during this exceptional and challenging period.

Kind regards

The School Management
