The English Section asks parents to make a payment each year into the ESTM fund. This English Section Fund is used to buy a variety of teaching materials, books and resources. Parents do not purchase these items themselves. This fund will ensure the section is well resourced at all stages. *Intermaths books will be given to pupils at the start of term. Parents will be billed for these books by the school.

Photocopying - Parents will be billed a photocopy contribution by the school. L2 teachers will require an agenda.
